Performance Notes	<ol style="list-style-type: none"> Intermission ran from 2:48-3:03P (15min). Today's audience was very receptive of each piece, applause all around. There was a water spill backstage during Act I. Ivy quickly cleaned it up, no hold was needed. 		
Attendance & Injury	<ol style="list-style-type: none"> Everyone was here and on time. Ariel Birkel slipped and fell while exiting stage for <i>Out with a Bang!</i> - She is okay!
